

Scholarship Petition Request

Instruction for Student: To file a scholarship petition, complete the following application and provide the documents noted below.

Name:	John	Alex	Smith
	First	M	Last
Address:	1605 NW Sammamish Rd	Issaquah	WA 98027
	Mailing Address	City	State ZIP
Phone:	425-416-2000		
Email:	jsmith@sampleemail.com		
Current college/university you are enrolled in: Eastern Washington University			
Expected graduation date (month/year): June 2019			

Petition Request: (Please check one):

Please select one of the following to why you are submitting this petition:

- ☐ I will not be attending one term. _____ (please specify term)
- ☐ I will be enrolled part-time (6-11 credits) for one term: _____ (please specify term)
- ☐ Temporary transfer to a 2-year institution with goal of still completing a 4-year degree.

☒ Additional financial need:

- ☐ Transportation
- ☐ Equipment/Tools
- ☐ Child Care
- ☐ Summer Quarter
- ☒ Other

☐ Medical Expenses

☐ Study Abroad

☐ Graduation date extended to (mo/yr): _____

Note: Additional support may only be considered for one additional academic year.

☐ Other, please explain: _____

Documents Needed to Submit This Petition:

- ☒ A letter of explanation and support documentation (refer to the chart on page 2 for a list of documentations). The letter of explanation must be a one page, single-spaced letter addressed to the Leadership 1000 Committee explaining the reason you selected above. Make sure to describe the circumstances in detail that led you to make this decision, how making this change will help you attain your bachelor's degree, and any other information that will allow the Committee to make an informed decision. **The supporting document will depend on your circumstance. Please refer to the chart on page 2 for a list of accepted documentations.**
- ☒ Educational plan outlining the courses needed for graduation and confirmed by academic advisor (see attached).
- ☒ Copy of your most current financial aid award letter. If changing schools, award letter from new school.
- ☒ Copy of your most current official college transcript.

Note: All financial aid paperwork, including the FAFSA, (HB 1079 students are exempt), must be submitted and processed by your college/university for your petition to be considered.

Documents Needed to Submit This Petition (Continued):

Example Reasons for Submitting a Petition	Examples of Support Documentation. You must submit at least ONE documentation for each reason.
Personal Crisis	<ol style="list-style-type: none"> 1. A detailed letter of explanation explanation of the crisis including the date of occurrence, duration, and how it negatively affected your coursework. 2. Support documentation (i.e. physician's statement, copy of police report, Personal Protection Order, medical documentation) 3. Support documentation regarding what steps you've taken to resolve the crisis and successfully move forward (i.e. physician's statement, academic adviser, 3rd party agency that assisted you with resolving this crisis)
Death of a Family Member/ Roommate/Close Friend	<ol style="list-style-type: none"> 1. A detailed letter of explanation including the name of the deceased and his/her relationship to you with an explanation of how this event negatively affected your coursework. 2. Support documentation (i.e. copy of the obituary, notice of the funeral, or death certificate). 3. Support documentation that demonstrates your ability to return to classes and successfully complete your course load (i.e. statement from academic adviser, letter of support from Counseling and Wellness Services, physician statement).
Personal Illness or injury (including medical withdrawal)	<ol style="list-style-type: none"> 1. A detailed letter of explanation of the medical circumstances including the date of occurrence, duration, and how it negatively affected your coursework. 2. Support documentation (i.e. physician's statement, copy of police report, medical documentation). 3. Support documentation regarding what steps you've taken to successfully move forward (i.e. statement from a physician, DSO, academic adviser, or 3rd party agency that assisted you during your illness or injury).
Illness of a family member	<ol style="list-style-type: none"> 1. A detailed letter of explanation of the medical circumstances of the family member, including the name and relationship of the family member to you, the date(s) of occurrence(s), duration, and how it negatively affected your coursework. 2. Support documentation (i.e. physician's statement, medical documentation) 3. Support documentation regarding what steps you've taken that will allow you to successfully move forward (i.e. physician's statement, academic adviser, 3rd party agency).
Other Circumstances/ Cost of attendance increase	<ol style="list-style-type: none"> 1. A detailed letter of explanation of the circumstances and how they negatively impacted your academic progress. 2. Support documentation substantiating your circumstances. 3. Support documentation supporting that your circumstances have either been resolved or are being managed. 4. A detailed budget with itemized expenses so that we can calculate your additional need.

Petition Process:

Normal processing time is 2-3 weeks provided all documentation is submitted along with this form to the email noted below. **Missing documents or an incomplete application will not be considered for review.** Completed applications can be emailed to: L1000Scholars@collegesuccessfoundation.org. If you have any questions, please contact the L1000 Program Officer.

Dear Scholarship Committee,

I am writing in regards to receiving extra funding for Winter quarter 2017. I am currently enrolled in chem 163 (biochemistry), bio 233 (anatomy and physiology), sociology 263 (social problems) and nutrition 356. Each of these classes are 5 credits and total up to 20 credits. All of these classes are prerequisites for the dental hygiene major. It is necessary for me to take all for of these classes so I can only have 3 outstanding classes for spring quarter 2017. All the prerequisites must be completed before entering the program. Financial Aid and scholarships only cover up to 18 credits. Each additional credit is 203.67. I am 2 credits over so I would need an extra \$407.34. Thank you for your consideration, I am looking forward to hearing from you.

Sincerely,

Scholarship Petition – Academic Plan

Instruction for student: This section must be completed by the academic advisor. Please schedule a time with your advisor to go over your academic plan.

Student Major: Dental Hygiene

Status of Major: ☒ Intended ☐ Declared

Note: If the student is double majoring, please list the major they will complete first.

How many additional credits are required for this student to complete their first major and degree? 146

What is the earliest possible academic term that the student will complete their first degree with a single major?

Year 2019 Quarter: ☐ Fall ☐ Winter ☒ Spring ☐ Summer

Semester: ☐ Fall ☐ Spring ☐ Summer

Dental Hygiene Major, Bachelor of Science (BS)

Undergraduate Program Entry-level Bachelor of Science in Dental Hygiene

The Dental Hygiene program is fully accredited by the Commission on Dental Accreditation of the American Dental Association. It is the only traditional Bachelor of Science in Dental Hygiene program in Washington state. Completion of the dental hygiene curriculum requires a minimum of four full academic years of study. The first two years focus on a broad spectrum of courses, including; university general education core requirements, competencies, and proficiencies, as well as dental hygiene prerequisite basic science courses that prepare students for the dental hygiene major. Once admitted to the program, students combine previous knowledge from general education courses and basic science courses into dental hygiene lecture and clinical coursework over a two-year period that includes five semesters. This two-year professional segment includes emphasis on dental sciences, community dental health, health research theory and clinical practice in traditional and expanded functions. Students treat dental patients under direct faculty supervision at the 46-chair Dental Hygiene clinic on the EWU Spokane campus and the Veterans' Administration Medical Center, Unify Community Health Clinic, and Lake Spokane Community Clinic. While in the program, dental hygiene students are required to participate as operators and patients for each other, to deliver and receive injections of local anesthetic, and administer/receive nitrous oxide sedation for dental hygiene learning experiences. These activities are essential components of the dental hygiene curriculum.

Placement Record for EWU Dental Hygiene Graduates

Dental hygiene graduates are eligible to take national, regional, and state licensing examinations. Successful completion of the examinations enable baccalaureate dental hygienists to seek employment in private dental practices, health clinics, school programs, public health programs, hospitals, nursing homes, industrial clinics, college dental hygiene programs, corporations, and research. EWU dental hygiene graduates have a good placement record in Spokane and nationwide.

General Admissions Requirements for Dental Hygiene Program

Students interested in majoring in dental hygiene should request current information on application procedures and seek advising from the Dental Hygiene Department early in their university program. All students are urged to maintain contact with the Dental Hygiene Department advisors during their prerequisite year(s) because admission criteria are revised periodically. Since enrollment is limited and the admission process is competitive, no assurance can be given that all applicants admitted to the university and successfully completing the prerequisite coursework will be admitted to the Department of Dental Hygiene. Access the [Dental Hygiene Department website](#) for current information on prerequisite coursework requirements and application procedures for admission to the program.

Prior to acceptance into the Dental Hygiene Program all students must

- complete all required Dental Hygiene program admission prerequisite courses and dental hygiene program admission requirements.
- apply for admission to EWU and pay admission fees.
- pay a \$42.00 student department application fee in addition to other EWU admission fees.

- meet the essential functions required of a dental hygienist.
- be able to treat all patients assigned realizing the potential exists for transmission of bloodborne and other infectious diseases during patient care services.
- submit proof of a two-step TB skin test prior to the fall entry into the program.
- hold a current Health Care Provider CPR Certification.
- pass a state and federal background check; prior criminal convictions may prohibit a graduate from obtaining a license to practice dental hygiene.
- seek advice from a medical professional specializing in allergies if they suspect they may have a latex allergy.
- have current immunizations records for mumps, measles, rubella, diphtheria, tetanus, and varicella; NO EXCEPTIONS.

Admissions Requirements for Transfer Students

Students transferring from either four-year institutions or community colleges must first apply for admission to the university through the EWU Admissions Office, that evaluates transfer coursework and, upon request, send a copy of the transcript evaluation to the Dental Hygiene Program.

Once admitted to EWU, transfer students should contact the Department of Dental Hygiene and arrange to meet with a department advisor for curricular planning and to declare a pre-dental hygiene major.

Applications to the Department of Dental Hygiene are not processed until students have been formally admitted to the university and a copy of their transcript evaluation has been sent from Admissions to the Department of Dental Hygiene.

Attention High School Students

Those students interested in dental hygiene should complete one year of high school chemistry, biology and algebra.

Required courses in the following programs of study may have prerequisites. Reference the course description section for clarification.

	Required Prerequisites prior to admission to Dental Hygiene—quarter system

Total Credits		74

For information on General Education, see Undergraduate Degree.

Student Learning Outcomes—students will

- practice health promotion and disease prevention activities for diverse populations;
- incorporate the principles of research and the dental hygiene process of care in providing comprehensive oral healthcare;
- respond to the changing health care environment;
- utilize appropriate interpersonal and interprofessional communication skills;
- use ethical principles in professional practice.

EASTERN WASHINGTON UNIVERSITY

start something **big**

Federal regulations require us to determine standard costs of attendance (or budgets) for various groups of students when determining financial aid eligibility.

Term	Budget Type
Fall Quarter 2016	Undergraduate Resident, Not Living With Parents.
Winter Quarter 2017	Undergraduate Resident, Not Living With Parents.
Spring Quarter 2017	Undergraduate Resident, Not Living With Parents.

If your status changes, please let us know.

Please use the following link to learn more about the Types of Financial Aid

For more information on how the Need Calculation and Cost of Attendance is determined please refer to the following links: Need Calculation and Cost Of Attendance

Full-Time Status Required

This award is based on full time status, (10 credits for master's degree candidates and 12 credits for all others). If you are planning to attend less than full-time, your aid will not be disbursed until you notify our office or until we make the appropriate adjustment after the 10th day of the term.

Need Calculation

Cost of Attendance	\$22,122.00
Estimated Family Contribution	\$2,072.00
Initial Need	\$20,050.00
Outside Resource	\$0.00
Need	\$707.33

Cost of Attendance

Tuition and Fees	\$7,101.00
Books and Supplies	\$900.00
Room and Board	\$10,941.00
Transportation	\$1,125.00
Personal Expenses	\$2,055.00
Total:	\$22,122.00

Washington supports Higher Education: Washington Opportunity Pathways

Dear College Success Foundation,

will need to take 20 credits Winter 2017 to be on-track to enter the Dental Hygiene Program, Fall 2017. She is required to have all of her general requirements and program requirements completed by the end of Spring 2017. These are all requirements to apply. Other resources she has looked into for covering her expenses are the Eastern Washington University scholarship and an on-campus job as a tutor.
