**COLLEGE SUCCESS FOUNDATION SCHOLARS HONORED AS
LEGION OF YOUTH POWERED BY BOEING RECIPIENTS**

The College Success Foundation (CSF) is proud to have CSF Scholars honored as Legion of Youth Powered by Boeing recipients. 25 CSF Scholars from across Washington state will attend the Dec. 4, 2016 Seattle Seahawks vs. Carolina Panthers game at CenturyLink Field.

The Legion of Youth (LOY) Powered by Boeing is a unique program created to provide Seahawks game tickets to community organizations that serve youth through the Pacific Northwest. Legion of Youth Powered by Boeing recognizes and rewards students who are committed to their school work, demonstrate leadership and are active in their community.

CSF Scholars who are Legion of Youth Powered by Boeing recipients are recognized on the [Legion of Youth website](#); attend a pre-game reception with a special message from a Seahawks legend; and receive game tickets, concession vouchers, and a Legion of Youth Powered by Boeing sweatshirt.

“Empowering local youth is part of our long-standing commitment to give back to the community where our employees live and work,” said Ray Conner, vice chairman of The Boeing Company. “We are very happy to be able to provide a memorable game day experience to local kids who are working hard to make good choices and are working towards productive futures. We are also very excited to offer people in the community the chance to nominate a deserving organization for one of the biggest games of the season.”

“Thank you to the Seattle Seahawks and Boeing for recognizing CSF Scholars for their community and academic achievements while encouraging them in their academic pursuits. The Seahawks and Boeing are models of community engagement in Washington state.” says Yolanda Watson Spiva, College Success Foundation President and CEO.
